

An intelligent security surveillance solution that is so technologically advanced it actually prevents crime from happening.

A solution so smart it knows the difference between intruders, animals, and vehicles—in all weather and all lighting conditions.

A solution that warns criminals, in real-time, to leave immediately or face the consequences.

YOU IMAGINED IT, WE CREATED IT

INTRODUCING INTELLI-GUARD, FROM THE WIRE GUYS™

Intelli-Guard is asset protection and crime prevention for the 21st century.
Intelli-Guard will protect what you care about by preventing crime, not just recording it.

Some might say Intelli-Guard is like having a security guard in a camera. Well, maybe—if they are referring to a security guard that will never fall asleep, always remember exactly what happened, never lie, and save you money.

Intelli-Guard from The Wire Guys™ is your reliable solution.*
